Company Information

Our mission is to help public safety leverage technology.

TSSI Consulting, LLC (TSSI) has been in business since 2012. We provide management and technology services for projects/procurements that have consistently come in on time, on budget, and with great success for our clients.
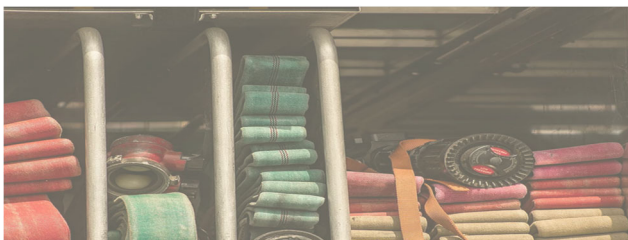

- TSSI has over 100 years of knowledge, experience, and expertise in public safety technology.

- We are driven by a sincere passion and commitment for the work we do and to the first responders who dedicate their careers to the safety of our families, friends, and neighbors.

  TSSI is Technology, Security, Support, and Implementation - the cornerstones of technology integration.

Performance / Past Projects

- ***Queen Anne's County, Maryland***—CAD and Systems Assessment, RFP and Functional Specification Development, and Vendor Selection

- ***The California Governor's Office of Emergency Services*** **-** State-mandated feasibility study for integrating newly passed state legislation with California's evolving NG911 system and components at each PSAP in CA.
